

Invitation for inaugural lecture by Frédéric Gachon

January 17 2025

New Professorship at the Department of Biomedicine, Aarhus University

As of October 1, 2024, Frédéric Gachon was appointed professor in Medical Chronobiology, at the Department of Biomedicine, Aarhus University.

On Friday, January 17, 2025, at 2 PM, Frédéric Gachon will give an inaugural lecture entitled:

Circadian rhythms disruption: an underestimated pathway to human pathologies

The lecture is in English and takes place at:

Steno Diabetes Center Aarhus
Palle Juul-Jensens Boulevard 11
Auditorium A201-170, Entrance A, Forum
8200 Aarhus N

Registration deadline is on Monday, January 6, 2025, at the following link:
<https://events.au.dk/inaugurallecturebyfredericgachon>

The lecture will be followed by a reception in the lobby in front of the auditorium.

Info regarding parking: There are several parking areas at Forum and the car's registration number is automatically scanned when entering a parking area. Before leaving, you pay at the payment machine located in the parking area. You can also download the APCOA Flow app on your mobile phone. If you have the app pre-installed with your license plate and payment information, it will run automatically.

Best regards,

Anne-Mette Hvas
