

## AU Honorary Skou Professor Mini-Symposium

Dear Colleagues,

In the beginning of October, the first Skou Professors will be celebrated at the Honorary Skou Inauguration Day. To further celebrate this the Personalized Medicine Research Theme has the pleasure of inviting you to a Mini-Symposium with recipient Professor Cecilia Lundberg.

The symposium will be on Wednesday, October 9<sup>th</sup>.  
Venue: Jeppe Vontilius, Lakeside Auditorium.

Program:

9.00-9.05 am: Short introduction by Champion Thomas Corydon

9.05-9.50 am: Developing next generation inducible GDNF gene therapy

**Professor Cecilia Lundberg, Lund University, CNS Gene Therapy Unit  
Wallenberg Neuroscience Center, Dept Experimental Medical  
Sciences, Lund, Sweden**

9.50-10.00 am: Questions

Kind regards

Thomas Corydon & Anders Børglum
