NordicPermed: Call on Personalised Medicine

23 April 2018, from 13-15

Conference Room 1, Studenterhusfondens konferencecenter
Frederik Nielsens Vej 2-4, 8000 Aarhus C

Learn more about the Nordic call on Personalised Medicine "NordicPermed", seize the opportunity to present and discuss potential projects and applications, expand your network and search for interdisciplinary co-operations across Aarhus University, and between university and hospital. In other words: make use of this exclusive occasion to try out new ideas and pose questions to the right people!

- [NordicPermed](#) Deadline 4 September 2018

Programme

13.00	Welcome by Ole Steen Nielsen, Vice-dean at Health
13.05	Behind the call by Ejner Moltzen, Advisor at the Innovation Fund Denmark
13.20	The Research Support Office presents the services in relation to the call. By Jørn F. Falch, Medical Doctor at Aarhus University Hospital and advisor in the Research Support Office
13.30	The researchers have the floor: Presentation of the initial ideas
14.55	Closing remarks , Vice-dean Ole Steen Nielsen
15.00	Networking (coffee, tea and cake)

Registration ad questions

Participation in the workshop takes place in two ways:

1. Active participation with a presentation. With regards to give Ejner Moltzen and Jørn F. Falch the opportunity to comment your slides and project idea before the workshop, you need to be registered and send your slides to ha@au.dk at latest 15 April.
2. For participants without a presentation, the deadline for registration is 18 April.

For information about participation and presentation or general questions about the workshop, please contact Henry Andreasen, the Dean's Secretariat at Health, ha@au.dk.

Best regards

Ole Steen Nielsen, Vice-dean for Research, Health, in co-operation with the Research Support Office
