

Are you looking to bring your research to market?

The Aarhus University Technology Transfer Office together with Novo Nordisk Foundation, the BioInnovation Institute (BII) and Innovation Fund Denmark (IFD) welcomes you to a seminar, where you can learn more about our programs, funding opportunities and innovation grants applicable to Life Science researchers within Medtech, Biotech and Pharma.

The presentations will be followed by a Q&A session for more detailed information on the application processes etc.

Grants and programs

Of particular focus are the grants and programs currently open for application, including:

- The Exploratory Pre-Seed Grant (NNF)
- Innovation Fellowship Programme (NNF)
- Proof of Concept (BII)
- The Pre-Seed Grant (BII)
- InnoExplorer (IFD)

Date and time: February 26, from 12.30-14.00

Venue: Aarhus University, Mogens Zieler Stuen. Fredrik Nielsens Vej 4 8000 Aarhus Danmark

We hope to see you on the day.

Please reach out to Conny Tegtmeier, AU TTO (clt@au.dk), Morten Holmager, AU TTO (holmager@au.dk), Karin Hultman, NNF (kah@novo.dk), Louise Clemmensen, BII (lcl@novo.dk) or Marlene Fredborg, IFD (marlene.fredborg@innofond.dk) if you have any comments or questions.

More information about the grants and programs can be found at:
